

Membership Application

Bon Air Artists Association has two membership categories: ASSOCIATE MEMBERSHIP includes all persons interested in advancing their knowledge and practice of art. All applicants begin as Associate Members. They may vote and hold office but cannot exhibit their work in BAAA-sponsored events, until being juried in as an Exhibiting Member.

EXHIBITING MEMBERSHIP includes actively producing artists who wish to show their work. The Board of Directors offers this level of membership based on its review of the applicant's work (jurying-in). Exhibiting members vote, hold office and exhibit with the group.

Please check here if you would like to proceed directly with jurying-in to become an Exhibiting Member _____

ASSOCIATE AND EXHIBITING MEMBERSHIP DUES: \$40.00 per year if joining in September-March; \$20.00 for the remainder of the year if joining in April-August.

Please include a check for membership dues with your application and return to the Membership Chairman. Make checks payable to BAAA and write "New Member Dues" on the check memo line.
